Some FAQ:

- 1) Is the cemetery acceptable for Islamic burials?  
 Yes, the section reserved for the Masjid will be in the Islamic portion of the cemetery and only Islamic burials will be allowed in this area. As our fiqh teaches us, it is obligatory on each Muslim to bury their deceased in an appropriate cemetery (except where there is absolutely no choice).
- 2) How do I know where the purchased grave will be?  
 All graves will be in the Masjid section. Once the number of plots to be purchased is finalized, a map will be provided for the location. If multiple graves are purchased, every attempt will be made to keep them grouped together in adjacent locations.
- 3) Is this the only cemetery that the Masjid uses?  
 No. There are other locations including:
  - 1) Park View Cemetery at Kirby's Mill in Medford, NJ  
 A similar document will be provided for the other location
- 4) Will there be other fees than the ones outlined above?  
 There are fees associated with the funeral home and they are not included in the numbers above. These will range between 1500-3000 depending on the funeral home used.
